Affordable iStore will stay open to serve necessary needs. Please call, text, or email before stopping by the store to avoid any unneeded exposure. Governor Whitmer on June 1, 2020 lifted the stay at home restrictions in Michigan. However, there are still store capacity limits and social distancing practices that are required. We will not allow more than 3 customers meaning 3 people at a time in our show room. The shop doors will be open and you are welcome to come in. Don't worry, we will ask you to wait in your vehicle if we are at capacity. We will let you inside the store in order of arrival once space is available. Please understand as we practice social distancing even with our 3 person policy for everybody's protection. As always if you have any needs other than technology just let us know, we might be able to connect you to somebody who can help.

We need to work together to get through this.”

Sincerely,

TRENT KNIBBE, OWNER
Owner of Affordable iStore
